*Verse 1*

G C  
I went out on Friday night.  
G C  
Saw you there in the neon light  
G C D  
Then the music started to play.  
G C  
So, I asked you for a dance,  
G C  
Just one little dance,  
G C D  
But, I knew love was on its way.

*Chorus*

G D  
It ain't the lights. It ain't the dancing.  
C D  
It ain't the music that keeps me romancing.  
G D C D  
Darling, I just can't take the chance on loosing you.  
G D  
When I look in your eyes, then I discover  
C D  
That I never want to hold another.  
G D C D  
Darling, I know I found forever when I found you.  
G D C D  
I found forever.

*Verse 2*

G C  
We'll dream away all the nights.  
G C  
And even if we have a fight,  
G C D  
We'll hold on to a love that's true.  
G C  
So, don't you worry bout this love of mine.  
G C  
It will last till the end of time,  
G C D  
Cause I spent a lifetime looking for you.

*Chorus*

G D  
It ain't the lights. It ain't the dancing.  
C D  
It ain't the music that keeps me romancing.  
G D C D  
Darling, I just can't take the chance on loosing you.  
G D  
When I look in your eyes, then I discover  
C D
